

# 2024-25 TOTS and All Aboard Plans Matrix

Westfield Washington Schools TOTS and All Aboard Program provides several options for childcare based on the family needs. These options are explained in the matrix below. A \$175 family annual registration fee is due with enrollment. This registration fee is non-refundable once placement is accepted.

Enrollment is limited and will be filled by priority returning WWS employee full time TOTS families first. WWS employees new to the TOTS or All Aboard programs who have submitted full time enrollment will receive second priority consideration through the lottery selection, and new WWS families submitting full time enrollment for Preschool who have older children enrolled in WWS schools will receive third priority placement. If any remaining opens are left, we will accept enrollment from families who reside in the WWS district who do not have an older child enrolled in the schools. Infant and Toddler enrollment is open to WWS teachers and staff only. All Aboard Pre-K enrollment is open to 2023-24 Preschool children and new families who live in the school district boundaries. We require a commitment to remain at full time status until January 1, 2025 or 20 weeks from the child's start date. A 10% sibling discount on the older sibling's fees for the TOTS and/or All Aboard Program will be provided.
